

ORBITAL

MARINE POWER

Marine (Scotland) Act 2010

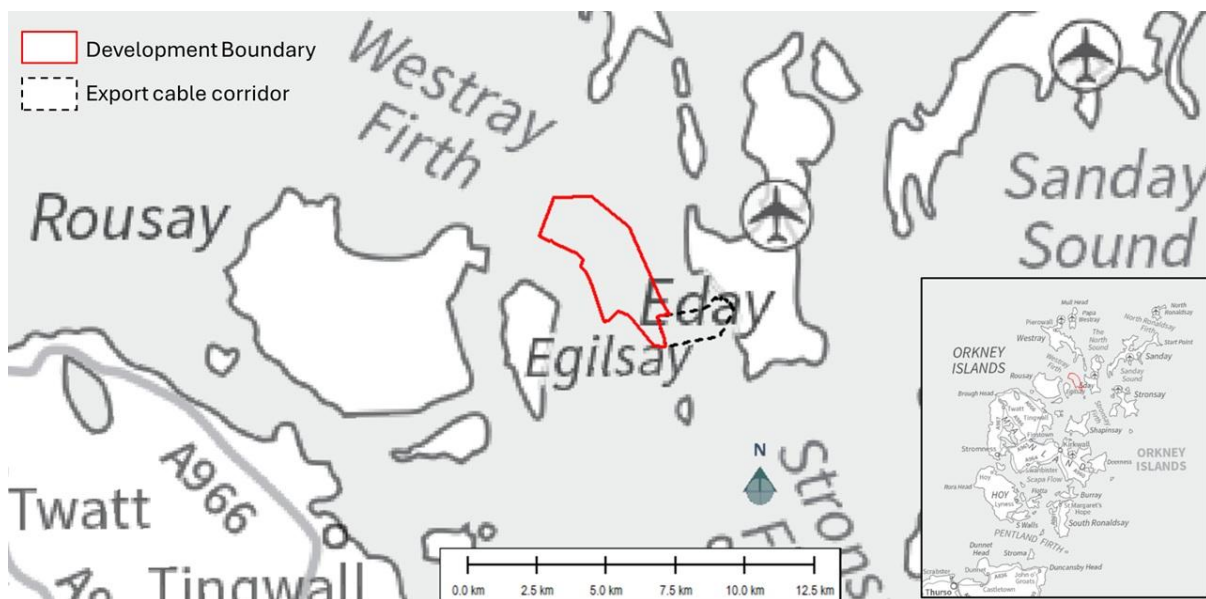

Marine Licensing (Pre-application Consultation) (Scotland) Regulations 2013

Orbital Projects 5 Limited (company number SC721335) is intending to apply to Scottish Ministers for:

- consent under section 36 of the Electricity Act 1989; and
- a marine licence under the Marine (Scotland) Act 2010,

for the proposed Westray Tidal Array in the Westray Firth, Orkney. The proposed development would comprise the installation, operation and decommissioning of around 70 Orbital O2-style tidal turbine devices with a total generating capacity of approximately 170 MW. The proposal also includes associated moorings, anchors, inter-array / umbilical cables, together with navigational marking as required and up to five 33 kV electrical export cables between the Westray Tidal Array and the EMEC Fall of Warness tidal demonstration site where they will make landfall.

The plan below identifies the location of the proposed Project and is also available on the project website.

A public drop-in Pre-Application Consultation (PAC) event will be held as follows:

Date: Thursday 11th June 2026

Time: 2pm – 8pm

Venue: Friends Room, St. Magnus Centre, Palace Rd, Kirkwall, Orkney, KW15 1PA

The PAC event is being held to provide information on the proposed development and to allow members of the public and other interested parties to comment on the proposal to the prospective applicant before applications are submitted.

Please note that comments made to the prospective applicant are not representations to Scottish Ministers. If Orbital Projects 5 Limited submits applications for section 36 consent and a marine licence, there will be an opportunity for representations to be made to Scottish Ministers on those applications.

Further information on the proposed development may be obtained from:
